System 1+

In compliance with the Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 laying down harmonised conditions for the marketing of construction products and repealing Council Directive 89/106/EEC, it has been stated that the construction product:

Ground granulated blast furnace slag in accordance with Annex ZA of the following:

I.S. EN 15167-1:2006	<i>Ground granulated blast furnace slag for use in concrete, mortar and grout - Part 1: Definitions, specifications and conformity criteria</i>
-----------------------------	--

Placed on the market by:

Ecocem Ireland Limited
F1 East Point Business Park
Dublin 3

And produced in the factory:

Ecocem Ireland Ltd
South Bank Quay
Pigeon House Road
Dublin 4

is submitted by the manufacturer to the initial type-testing of the product and its factory production control and that the approved body – National Standards Authority of Ireland – has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standards listed above under System 1+ were applied.

This certificate was first issued on 29/04/2008 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
